

If a student chooses to double major in two majors offered through the Ness School of Management and Economics (Economics, Agricultural Business, Business Economics and Entrepreneurial Studies), the second major needs to have at least 18 credits that are distinct from the first major.

Testing into a higher-level language course may reduce time to graduation. To begin coursework above the 101 level, take the free modern language placement test at <https://www.sdstate.edu/modern-languages-global-studies/mfl-placement-information> Students with any modern language experience are strongly encouraged to complete the placement test.
