Jerome J. Lohr College

SDSU

**2.2. Add justification for all changes noted above:**

MATH 315 has been removed from the SDSU major requirements, so requests that MATH 253 Logic Sets and Proof be offered as an additional prerequisite. MATH 253 provides sufficient mathematical maturity and basic introduction of proofs that enables students to be well prepared for MATH 413.

**Section 3. Other Course Information**

**Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database (Course Inventory Report)?** Yes No

**Section 4. Department and Course Codes (Completed by University Academic Affairs)**

	Current	New
<b>Change in University Department Code</b>	BMTH, DMTH, MMTH, NMTH, SMAS, UMTH	No Change
<b>Change in CIP Code</b>	27.0102	No Change

**BHSU Approval:**

Donna Below is an email approval for adding MATH 253 to the prerequisite list for MATH 413 from Dr. Chris Crawford, Provost and VPAA for BHSU.

Pleas let me know if you need anything else from me.
