PHIL 201	Ethics, Law, and Logic	3

Provide explanation of differences between proposed course and existing system catalog courses below:

RECR 311 will focus on ethical issues specific to sport and recreation management including the ability to develop moral and ethical decision-making abilities when confronted with ethical and moral dilemmas as a sport manager or administrator. The new course also includes critical ethical areas such as the use of performance enhancing drugs, gambling and sports agents. The two courses listed above do not cover the specific ethics required in the sport management area.
