1. Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.

MLS 427 will include a continuation of the didactic theory covered in MLS 421 and will include part-time clinical training at an approved clinical site. This will allow for improved efficiencies and allow for students to complete didactic and laboratory experiences where they currently live. Advisory committee and accelerated MLS student feedback was that the current courses (MLS 311/411) did not align with the accelerated approach. MLS 421 will enhance the accelerated MLS program curriculum by allowing student to apply their knowledge of theory with clinical training.

2. Note whether this course is: Required Elective

3. In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?
None.

4. If this will be a dual listed course, indicate how the distinction between the two levels will be made.
N/A

5. Desired section size 24

6. Provide qualifications of faculty who will teach this course. List name(s), rank(s), and degree(s).
Heather Moser, Instructor, MS

7. Note whether adequate facilities are available and list any special equipment needed for the course.
The course will be taught oBT/F2 1>BDC q0.00000p7.
