- Provide specific reasons for the proposal of this course and explain how the changes enhance the curriculum.
DS 119 currently serves as a first-year experience course for the Department of Dairy and Food Science. The department has requested DS 120 with the intention of splitting DS 119 First Year Experience in Dairy and Food Science into two one-credit courses. DS 120 Survey of Dairy and Food Science Industries is designed to introduce students to developing a plan of study, activities and work experiences to best prepare them for future careers in dairy and food science.
- Note whether this course is: Required Elective
- In addition to the major/program in which this course is offered, what other majors/programs will be affected by this course?
None
- If this will be a dual listed course, indicate how the distinction between the two levels will be made.
N/A
- Desired section size 40
- Provide qualifications of faculty who will teach this course. List name(s), rank(s), and degree(s).
Londa Nwadike, Professor, Ph.D.
- Note whether adequate facilities are available and list any special equipment needed for the course.
Facilities are adequate and no special equipment is needed for the course.
- Note whether adequate library and media support are available for the course.
Adequate library and media support are available.
- Will the new course duplicate courses currently being offered on this campus? Yes No
- If this course may be offered for variable credit, explain how the amount of credit at each offering is to be determined.
N/A
