

SD ASABE SECTION PROFESSIONALS' RECOGNITION FORM

Deadline for Submission: March 15, 2025, midnight CST

Meeting Date: April 3, 2025 (3:00 PM – 7:00 PM) at Raven Precision Ag Center, South Dakota State University, Brookings, SD, USA - 57007

INSTRUCTIONS FOR SUBMISSION

- € This form may be used for either self-nomination or nominating a colleague.
- € Submit the completed form by emailing it as a PDF to Kas.Muthukum@sdstate.edu
- € Incomplete or late submissions will not be considered.

NOMINATION CRITERIA:

Nominations should be from the ASABE community (e.g., section meetings, national events, committees, or task forces). Specify roles and responsibilities, and any key initiatives led or supported.

2. **Impact & Achievements** Discuss the nominee's tangible impact in Agricultural and Biosystems Engineering. This could include work that has enhanced the agricultural industry, community engagement, student mentoring, or societal benefits through engineering solutions. Highlight major achievements in research, teaching, extension, or industry. Examples may include significant publications, technological innovations, patents, curriculum development, or leadership in major projects that advance discipline
